**Lowest profile
angle drill
head on the
market!**

**Introductory
priced at
only
\$495.00!!**

The UT8893 Aircraft 90° Drillmotor

- Plenty of power in a small package—no stalling during drill breakthrough!
- Angle head height of less than 7/8"! Indexable angle head for easy head positioning and quick change repair!
- Excellent teasing throttle that airframe mechanics demand!
- Weighs only 2.45 lbs.
- Ergonomic "soft touch" coating lessens temperature differential and vibration on drillmotor handle!
- Quiet down-handle exhaust.
- Accepts other modular drill attachments!
